FEBRUARY

PAYING IT FORWARD

Maverick Russell spent countless hours in the NICU while mom stayed at the Ronald McDonald House of Danville. Maverick was born at just 33 weeks, weighing just 2 pounds 10 ounces.

Today Maverick is a thriving little boy who likes to drop money in the donation containers every time they go to McDonald's in Lock Haven, PA. Mom feels that giving back should be taught to kids at an early age.

Mom will forever be grateful to the Ronald McDonald House of Danville and staff for all the love and support she received while her son was in the NICU.

RAISE THE REGION

Raise the Region is a unique 30 hour online giving campaign. The Raise the Region campaign gives the community a chance to be able to help support the Ronald McDonald House of Danville.

Raise the Region kicks off on Wednesday, March 11th at 6:00 p.m. and runs through Thursday, March 12th at 11:59 p.m. During this giving movement your donation can also help the House win additional monetary prizes.

We ask that you help support the House through #RaisetheRegion and give generously to help keep the lights bright!

Donate at www.raisetheregion.org.

Watch us on Facebook for additional videos and family stories!

THANK YOU!

You help support our mission each and every day. Ensuring that we can provide a "home-away-from-home" for thousands of critically ill children and their families during the darkest moment in their life. Because of YOU we can enrich their lives by keeping families close to the care they need when they need it the most.

"When my son was in the NICU and I was sleep deprived and still in shock from the events that led us to the Ronald McDonald House of Danville. When he was born the staff made sure that I ate, reminded me to rest, and checked on me every time I entered to see if they could help in any way. Staff even helped pack snacks to make sure I ate at the hospital. This place was amazing and is truly a blessing when your world gets turned upside down. Being able to stay that close to him was important and would not have happened without this house. Thank you for everything you do for families in similar situations."

"We stayed at the Ronald McDonald House of Danville for 23 nights while our daughter Violet was in the NICU. I cannot say enough good things about the House, staff, and community members who donate their time and resources. We felt so welcomed and at home during a difficult time. Thank you will never be enough!"
