Ronald McDonald House

The Ronald McDonald House of Danville offers a safe haven for families and ensures that children have the love and support they need when they are hospitalized. The House provides all the comforts of home including, 19 guest rooms, fully stocked kitchen and laundry room, comfortable living rooms, interior and exterior play spaces, sunroom, wi-fi, and more. The Ronald McDonald House of Danville, which serves the Janet Weis Children's Hospital, is located on the campus of Geisinger Medical Center in Danville, PA.

Ronald McDonald House Family Room

The Ronald McDonald Family Room at Geisinger Janet Weis Children's Hospital is a comforting haven within arm's reach for families of critically ill children.

The Family Room has extended the support of our Ronald McDonald House into the hospital by offering a quiet, comfortable place for families to rest and regroup during their child's treatment - helping to reduce stress and focus on their own health and well-being while their child is being cared for just steps away.

Camp Dost

The Ronald McDonald House of Danville is the proud sponsor of Camp Dost. Camp Dost is held at Camp Victory, a special needs camping facility, located in Millville, PA. The program was conceived to give pediatric cancer patients the opportunity to enjoy a summer camp experience without worrying about medical care.
