What Our Families Are Saying

We are grateful for the kind notes House guests share with us after their stay! Here are a few of the messages from families you support.

"It allowed us to be in a safe and warm environment close to our son at all times and took a huge weight off our shoulders"

"I am totally amazed by my whole experience here. The staff is phenomenal, friendly, always willing to help and very patient and comforting. Gave me space to cry, get comfort and rest."

"It was amazing to have a place so close that we could rest/shower. Truly a blessing!"

"The Ronald McDonald House meant the world to my family."

"RMHD truly was wonderful and helpful to our family. We appreciate all the staff did for us. Everyone was caring, kind and all around lovely."

"It meant so much having a place to stay as a new parent with babies in the NICU and so much uncertainty. it was one less thing to worry about."

A Note From RMHD

I am excited to welcome a new year with you, our Ronald McDonald House Family, and focus on helping even more families in 2023. However, before we can look toward the new year, I wanted to share how you impacted 2022.

Because **YOU** were there, 319 families were able to be **here** close to their child and to hold their child's hand while they went through their treatments, to give their child a hug when they were scared, and to dry their child's tears when they were discouraged.

Because of **YOU**, 43 pediatric cancer patients were able to experience a safe outdoor camping experience away from a sterile hospital clinic. They were able to be outdoors and experience the fun of just being a child.

Your gift provided a welcoming haven within the hospital and allowed volunteers to comfort 58 families within the home-like communal area of the Family Room. In addition, the Family Room provided much needed rest for 42 families within the sleep rooms.

You did so much more than write a check! You showed families that when they need us, the Ronald McDonald House Family will be there.

I am humbled by the generosity of our family of donors. You make our House a home!

With gratitude,
Michael Turlis
Executive Director

SUPPORTER Spotlight

LEFT: Our friends at Fabtex, Inc. manufactured and donated bedspreads for the House! We can't thank them enough for their generosity and helping us keep our House cozy for the families.

RIGHT: The staff at Bigfoot Country radio hosted a wine and chocolate fest at the Pine Barn Inn. A portion of the proceeds were donated to RMHD.

March 8-9, 2023

RMHD is proud to be participating in Raise the Region. Visit rmhdanville.org soon for more information.

Save the Date for Taste of the Town! Join us on Saturday, April 15, 2023 at the Bloomsburg Fairgrounds Industrial Arts Building for food and beverage samples from local businesses, basket raffles, and live music! Visit rmhdanville.org for ticket information.
