## What Our Families Are Saying

We are so grateful for the kind messages families share with us during their stay. With your generous support, we are able to continue to provide a home-away-from-home for families!

"We are extremely grateful for the opportunity to be close to our children in the NICU. We felt at home right away and couldn't say enough great things about the Ronald McDonald House!"

"It meant a lot. It was a very big help to my family and very thankful for everything that we received here."

"With a newborn in the NICU, we were thankful for the opportunity to stay close and still get a good nights sleep similar to home."

"It is a very comforting and relaxing place to stay while my child is hospitalized. The bedroom is great and it was very handy to have hot meals."

"Staying at the house was a blessing. I was at ease being able to stay at the House."
