NOVEMBER

Meet the Underkoffler Family

"Our time spent at the Ronald McDonald House was amazing. *Everyone was so nice and welcoming.* While our daughter was in the NICU, the staff at the Ronald McDonald House welcomed us with open arms. It was a rough time for us all and we are so thankful for everyone at the Ronald McDonald House."
-Cassie Underkoffler

Season of GIVING

This holiday season, we are especially grateful for the supporters who make it possible for us to fulfill our mission to *keep families close* as they

fight pediatric illnesses. Receiving news that your child is sick is difficult for any parent or caregiver, as well as needing to travel great distances for treatment. *Because of you,* the Ronald McDonald House of Danville can step in to offer support to those families and a place to call home this holiday season, and beyond.

Made possible by the support of our donors, sponsors, and community partners, we offer more than just House for families going through the most difficult times. Our goal is to allow families to focus solely on their child's treatment by alleviating financial burdens. We do this by providing warm meals, household and personal care essentials, a Family Room inside the hospital, and so much more.

Thank you for your kindness this past year! *We are grateful that you are part of our journey in supporting the families we serve.* The care we provide, to make life easier for families battling pediatric illnesses, is only possible because of the compassion of people like you. We are thankful so many of you joined us at our events, or stopped by to visit!

As we look to 2024 with anticipation, you will meet more families like the Underkoffler family who call the Ronald McDonald House of Danville their home-away-from-home. Your gift during Season of Giving will *help us provide comfort* to the families we serve. To donate, return the enclosed card, scan the code, or visit rmhdanville.org.
